Mapleview Sure Start
+Deccox

Mapleview Sure Start +Deccox

Mapleview Sure Start is a highly digestible skim milk based milk replacer formulated using the most recent scientific information and designed for optimal growth of young dairy calves. It is formulated, using a blend of ingredients, for quick dispersion resulting in a milk replacer with a highly desirable texture and aroma to stimulate the young calf's appetite. Optimum digestibility for the young calf is maintained whether the milk replacer is used in a computerized feeding or hand mixing system.

Medicated with Deccox for Coccidiosis control in calves. Although no veterinarian's script is required please read the label for directions.

- **Quick and Easy to Prepare**
- **Designed for Optimal Growth**
- **For Use In Computer Feeders**
- **Highest Quality Ingredients**
