

FUTURE PERFORMANCE IS: MAPLEVIEW AGRI MILK REPLACER

Future Performance is what sets us apart- it's the research and innovative ingredients in every bag of our milk replacer that are designed to give your calves the strongest possible start, setting them up for a lifetime of health, growth, and efficiency.

FUTURE PERFORMANCE IS:

-  Insights from the Future Performance Research Centre in Every Bag
-  Using Food Quality Casein Rich Skim Milk Powder to Improve Overall Health and Growth
-  100% Canadian Skim to Support the Canadian Dairy Industry
-  Prebiotics to Support Overall Health
-  Enhancing Absorption with Organic Minerals
-  Precision Feeding with Maplevue Agri
-  Improving Fat Mobilization with Emulvion
-  Balancing Medium Chain Fatty Acids for Better Health

WHAT DOES FUTURE PERFORMANCE MEAN TO YOUR FARM?

Do you want your calves to double their birthweight by a certain number of days?
What are your lamb raising goals?

Tell us for a chance to win!

HOW TO ENTER

Write your answer to 'What does Future Performance Mean to Our Farm?' on the poster on the inside of this pamphlet or on the Future Performance colouring page.

Take a photo of your completed poster or colouring page and post it on Facebook, Instagram or X and tag Maplevue Agri.

Use the hashtag

#MaplevueFuturePerformance.

Get creative- show us your family outfitted in sunglasses, your favourite calf, etc!

Three submissions will win a Chilly Moose Cooler FULL of dairy and farm products from farm family businesses!

Contest ends August 11, 2025
